Payment detail

Three charges made to the cardholder's credit card.

2	**Main payment** Prescription eyeglasses and contact lenses for Nahuell Duffey and Marco Feria Rodríguez — invoice items 2 to 5.	1,160,000	**$360.39**

The total charged equals the invoice total: COP 1,250,000 subtotal plus the 5 % credit card surcharge (COP 62,500) = **COP 1,312,500 = USD 407.77**. USD equivalents use the reference rate of COP 3,218.75 per USD (same as the invoice) and are indicative; the card issuer's statement prevails.
